

 **PANDO**
SHOP IN SHOP CONCEPT

THE CONCEPT

THE DISPLAY SYSTEM WILL ALLOW THE SHOP OWNER TO:

- Highlight safety features and technical details of the PANDO MOTO products
 - Abrasion resistance sample
 - Armor features
- Showcase high-quality lifestyle images next to the products
- Change the look of the display depending on the needs and style of your shop
- Research shows that the majority of the customers are attracted to the product displays, and it helps to substantially increase the revenues.
